**Motion:** I move to allocate up to two thousand dollars (\$2,000) For American River College Childcare Center. The staff need a changing table in the nurse's office located in the childcare center. Also, they need a computer placed in a private area for students to use because many of the parents need convenience, and are short on time to travel to the other resources on campus. Additionally, parents will be able to use the computer for child care enrollment that needs a printed out up to date schedule with staff assistance on site, working on homework, and all school related activities.

**Vote:** Passed      **Date:** 28 February 2020      **For:** 9      **Against:** 4      (Abstain: 0 )

***I adopt this measure as the President of the Associated Student Body Student Senate of American River College.***
